

Good afternoon WCA community, and congratulations on an amazing first week of school! Some of the feedback we received from families included words like, *engaging, encouraging, organized, fun, exciting*....all words we love to see when it comes to how our students are learning!

I wanted to provide you all with a few updates before the weekend begins.

- All student apps and links are available at [www.clever.com/in/willowcreekacademy](http://www.clever.com/in/willowcreekacademy) - this is the only website your child needs to know! If you didn't receive an email to set up your family portal, please contact our Math Specialist at [jlawrence@willowcreekacademy.org](mailto:jlawrence@willowcreekacademy.org).
- Please remember that breakfast and lunch are available for pick-up every day on campus from 11:00 - 1:30. Pre-ordering is not necessary.
- One change in scheduling to note. Art and PE classes will now start the week of September 8th.
- [The WCA regular board meeting](#) will be held on Tuesday, September 1st at 5:00. The agenda can be found on our website's calendar.
- There will be a joint board meeting with WCA and SMCSO on Thursday, September 3rd from 5:30 - 8:30. A link will be provided as soon as it is made available.
- Beginning next Friday, our assembly time will start at 8:45, followed by 9:00 "coffee talk".
- And last, but not least, I am excited to share a new resource for families who need extra support. Given the stress and anxiety we know families are experiencing with on-line learning and COVID, we encourage you to reach out to the newly established [California Parent & Youth Helpline](#) and Online Support Groups, which are FREE and a valuable resource for Parents, Caregivers, Children and Youth.

Wishing you all a safe, healthy and joyful weekend.

Emily
