# COVID-19 Prevention and Response Health and Safety Protocols

## Overview

On March 16, 2020 site-based classroom instruction was suspended by order of the Marin County Public Health Officer in all Public and Private Schools in Marin County to help mitigate the spread of COVID-19 in the local community. All schools were forced to develop remote instruction for students, including the Willow Creek Academy. Under the guidance of the Marin County Public Health Officer, Marin County School Guidelines (30 Point Plan) and School Site Specific Protection Plans (SSSPPs) have been developed for all SMCSD Schools, Programs and offices. These SSSPP's meet all requirements of and serve as the Cal/OSHA COVID Prevention Plan (CPP), and along with the COVID-19 School Guidance Checklist serve as the Willow Creek Academy's COVID-19 Safety Plan (CSP) for In-person Instruction. The Willow Creek Academy's SSSPP is posted on the school web sites and made available to staff, students and families as required.

A copy of this entire document will be posted on the Willow Creek Academy Homepage as required, and will also be included in the Injury Illness & Prevention Program as an Appendix.
