

Willow Creek Academy

AR 5112

Enrollment Committee

Willow Creek Academy accepts qualified students from any district in California. Prior to admission in Willow Creek Academy, each student shall provide the information and records as required in the application for admissions.

Upon receipt of an application for admission, the Head of School shall request any prior school records, if any, of the applying student, administer any appropriate assessments, verify the student's home address. The Head of School shall prepare a summary checklist indicating the fulfillment of requirements and any opinions based upon the assessment of the student. In the event a student has an active IEP, the Head of School shall refer the student to the District for evaluation of placement.
